We are a small family business and we have chosen to run our park to provide a tranquil environment for those who wish to escape the hectic pace of modern life. Consequently we have a number of park rules designed to preserve this environment:

QUIET after 11pm. we interpret this as your immediate neighbours not being disturbed.

MUSIC from in-car sound systems is not permitted. Music from other devices should be kept at a very low level within the confines of your own pitch.

(Customers not observing the above or in any way causing alarm, distress or disturbance to others may have their holiday terminated)

ALL day visitors must report to park owners **ON ARRIVAL** (access only between 9am and 10pm)

SINGLE sex groups and unaccompanied teenagers are not permitted unless by prior arrangement with park owners.

Kingsbridge Caravan Park reserves the right to refuse entry to any person at any time. We operate a recycling system - please separate waste into appropriate bins and take your broken chairs, gazebo's, tents etc. home. Please do not send children to the bin compound.
